Donburi

Served with Miso Soup (Dine in Only)

Teriyaki Don

The most popular donburi has cooked meat with teriyaki sauce served Sesame broccoli salad and rice. Spice can be added to increase flavor

Protein choices:

chicken 14 beef 15 salmon 17

Chicken Katsu Don 15

Breaded and deep-fried chicken cutlet that has been simmered in a sweet sauce and soy sauce broth with thinly sliced onion and a scrambled egg

Oyako Don 15

The name oyako don, which literally means “parent and child” rice bowl, may seem a bit twisted but it’s no less delicious. Pieces of steamed chicken (the “parent”) are cooked together with egg (the “child”) and sliced onion in a sweet and savory broth before being poured on top of rice

Ten Don 15

Ten Don covers a range of deep-fried tempura ingredients served over rice with tempura sauce. Short for “tempura donburi”

Unagi Don 19

Topped with fillets of eel (unagi) grilled in a style known as kabayaki, similar to teriyaki. The fillets are glazed with a sweetened soy-based sauce, called tare and caramelized, preferably over charcoal fire. Served with roasted seaweed, tamago (Japanese sweet egg) and white rice

* Consuming raw or undercooked meats, poultry, seafood, shellfish, or eggs may increase your risk of foodborne illness.
